Dear Sir:

A short time ago I received from you a very kind invitation to attend the '17 commencement exercises. I assure you that I should be highly pleased to be present but - as I am now in England

waiting to go back to France it is impossible, Nevertheless my thoughts are much there who are so fortunate as to be there.

Wishing you and yr the good old U. of T the very best that the future may hold

Yours sincerely

Sgt R Rutherford

Lieut

Allow me to congratulate you on the distinction so worthily bestowed on the Birthday List.

Dear Mr. Rutherford:

Many thanks for your copy of my address last Monday at the Canadian Club. I have put in what seem to me the necessary changes. I am sure you had a difficult task to get what I said so well reported.

Yours sincerely,

President.
